ORIGINAL  
ECOLOGICAL

# ORIGINAL ECOLOGICAL

Our raw hides come from excellent natural pastures in Brazil, South America and Australia.

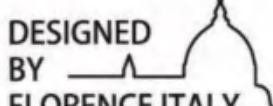

After a number of strict technology production processing and through the world's nine major authority certification, we have a complete industrial system from cow leather production to sales.

From the source to improve the quality of leather, control the procurement cost, bring you the most extreme, the most comfortable enjoyment.

# Research and Design of Florence Overseas Base under Keemal Group

**100%** DESIGNED  
BY  FLORENCE ITALY

*The pure and elegant Italian minimalist design comes from the Florence production base under the Keemal Group. Through unique fashion aesthetics and profound craftsmanship, it brings people an elegant and exquisite wonderful life*

The dazzling corner sofa gives you a warm hug as you work hard every day. You can sit cross legged without restraint, and Ge You can lie down without hesitation. The highly designed checkerboard grid lines are distributed on a wide and flat seating surface, perfectly interpreting the beauty of modernity and adding a free and inclusive friendly atmosphere to the space.

# W6032 Versilia

As an essential classic popular element in the fashion industry, checkerboard has always been active in creative design in various industries. By combining the creativity of checkerboard with exquisite sofa making techniques, we create grand and elegant sofa works, which is the elegance and nobility that Italian design endows homes with.

*BED  
Collection*

# GM8807 Main

Gentle care, steady and reliable

The gentle and reliable demon horns on both sides showcase a strong personality and sense of power, exuding confidence and dominance. The design of the bed is spacious and sturdy, without excessive cumbersome design. The clean and smooth minimalist design makes the bedroom space feel even stronger~

# M8801 Morpheus

The beauty of streamlined and curved shapes  
Ultra thin backrest with waterfall shaped streamlined design  
While enhancing aesthetics  
Bringing a more comfortable sense of support

# GM836 *Chocolate*

This bed reminds people of the classic advertising slogan: Chocolate and romance are more perfect! The design inspiration comes from dark chocolate, and the checkered stitching outlines exquisite and charming chocolate blocks. It is simple yet sophisticated, with a slim and lifelike shape. The form follows the function and is clever but not exaggerated, with a low-key and romantic Italian style, emphasizing texture and comfort.

*GM8070 Cadiz*
